Record Request Response

Record Request No.: DTE-RR-20

Where does Fitchburg recover congestion costs, that is, its energy congestion costs and also transmission congestion costs? And if it is in the reconciliation filing, please cite to where that's shown.

Response:

FG&E's Electric Division recovers congestion costs through the External Transmission Charge. In the December 3, 2001 Reconciliation Filing see Schedule KMA-2, Pages 1 through 5 of 9.
